The Mark of the Minister of God Oladeji Toluwaleke Olagoke 2013-11-22 The Christian world is replete with all manner of church leaders and ministers parading as men and women sent by God. For many of these people, God's work is a lucrative business. Easy money, fame, aggrandizement, and all its paraphernalia. But is that what this is all about?

Certainly God did call some. Did God call all these that you see around? Do you know that Satan has men and women who also masquerade as those sent by God? This book will prove handy to help you find the answers to these questions.

Sunday School Teaching William Walter Smith 1904

The Encyclopedia of the Stone-Campbell Movement Douglas A. Foster 2012-12-06 With roots in British and American endeavors to restore apostolic Christianity, the Stone-Campbell Movement drew its inspiration from the independent efforts of nineteenth-century religious reformers Barton W. Stone and the father-son team of Thomas and Alexander Campbell. The union of these two movements in the 1830s and the growth of the new body thrust it into a place of significance in early nineteenth-century America, and it quickly spread to other parts of the English-speaking world. From its beginnings the Movement has developed into one of the most vital and diverse Christian traditions in the world. Today it encompasses three major American communions -- Churches of Christ, the Christian Church (Disciples of Christ), and Christian Churches/Churches of Christ -- as well as united churches in several other countries. Over ten years in the making, The Encyclopedia of the Stone-Campbell Movement offers for the first time a sweeping historical and theological treatment of this complex, vibrant global communion. Written by more than 300 contributors, this major reference work contains over 700 original articles covering all of the significant individuals, events, places, and theological tenets that have shaped the Movement. Much more than simply a historical dictionary, this volume also constitutes an interpretive work reflecting historical consensus among Stone-Campbell scholars, even as it attempts to present a fair, representative picture of the rich heritage that is the Stone-Campbell Movement. Scores of photographs and illustrations (many quite rare) enrich and enliven the text, and an extensive, carefully prepared index facilitates ready access to important information throughout the volume. The Encyclopedia of the Stone-Campbell Movement -- a standard reference work for religious, academic, public, and personal libraries everywhere. Features of this encyclopedia: Presents over 700 articles on the people, events, churches, and beliefs that comprise the Stone-Campbell tradition Provides cutting-edge commentary on current topics of discussion as well as basic historical knowledge Written by more than 300 scholars from across the Stone-Campbell Movement Enlivened with photographs and illustrations (some quite rare) from around the world Includes an extensive index for rapid reference

A Sabbath at Home. A short manual for those who are occasionally hindered from attending the House of God. [By Anne Manning.] 1855

Leader's Manual the Apostles of Jesus Christ C. David Jones 2010-10-20 This LEADERS MANUAL provides new materials and suggestions to assist Sunday School teachers and Bible study leaders in successfully conducting six-week or thirteen-week courses of studies based upon the book. The manual contains both the questions posed in the Readers Guide (Appendix C) of the book, and the manual also gives the answers to those questions. The manual also contains the Minyan Sociogram and maps of the Roman Empire and the Holy Land. A NEW DVD inside the back cover (or available directly through the author) includes a feature-length video, The Life and Legends of the Apostles, together with the questions from the Readers Guide, the color Minyan Sociogram, the maps of the Roman Empire and the Holy Land.

Perspectives in Pentecostal Eschatologies Peter Althouse 2010-09-08 During the mid-twentieth century Pentecostal theology was co-opted by fundamentalism and its dispensational brand of millennial eschatology. Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter-rain outpouring of the Spirit in the last days but undercut its *raison d'être* as a people empowered by the Spirit of Pentecost to participate in the kingdom of God. Yet eschatology is much broader than twentieth-century dispensationalism, and Pentecostal eschatology is diverse, reflecting the diversity of Pentecostal and Charismatic spiritualities. There is no one Pentecostal eschatology but many Pentecostal eschatologies. This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements. The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right.

The Ely Volume, Or, The Contributions of Our Foreign Missions to Science and Human Well-being Thomas Laurie 1881

The Sunday school teacher's manual Sunday school teacher's manual 1847

The Christianity Reader Mary Gerhart 2007-09 Christianity is the world's most populous religion, with some two billion adherents. As a world religion, Christianity has flourished because it is capable of taking on new forms in new contexts. To understand both the religion's history and its present state, Mary Gerhart and Fabian Udoh gather original texts—from early Christian writings to contemporary documents on church-related issues—in *The Christianity Reader*. The most comprehensive anthology of Christian texts ever in English, this is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated, and translated primary texts, along with supplemental analytical essays, the volume allows Christianity, at long last, to speak in its many voices. Focusing on Christianity as a religion, Gerhart and Udoh select texts that illuminate issues such as theology, mysticism, and ritual, while also articulating the stories of previously marginalized groups, as well as those in new and growing epicenters of the religion. With nearly three hundred selections, the texts encompass the entire history of Christian writings excluding the New Testament, from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta. Eight thematic sections cover biblical traditions and interpretations; early influences; nascent forms; patterns of worship; structures of community; philosophy, theology, and mysticism; twentieth-century issues and challenges; and the contemporary relationship between Christianity and other world religions. The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context. Providing a far richer selection than ever before available in a single volume, *The Christianity Reader* will be welcomed as both a classroom resource and a work of reference for decades to come.

The History of the Christian Church George Roe Van de Water 1904

Word Made Global Mark R. Gornik 2011-07-22 A groundbreaking work of ethnography, urban studies, and theology, Mark Gornik's *Word Made Global* explores the recent development of African Christianity in New York City. Drawing especially on ten years of intensive research into three very different African immigrant churches, Gornik sheds light on the pastoral, spiritual, and missional dynamics of this exciting global, transnational Christian movement.
