The Friend 1878

Partisan Life with Mosby's Rangers (Abridged, Annotated) Major John Scott 2016-11-15 John Singleton Mosby's Rangers bedeviled the Union army for four long years. The Rangers were what we would today call guerillas; units that could make fast raids and get away before the enemy could react. This highly-successful unit became legendary during the war and continues to be an object of fascination by scholars and enthusiasts of the period into the 21st century. This is the official memoir of Mosby's command, written with his cooperation after the war. The author of this work, John Scott, wrote the Partisan Ranger Law in 1862. John Singleton Mosby was a remarkable individual. Highly intelligent, educated, and modest, he held the respect of many on both sides of the war. After the Civil War, he became a Republican and a supporter of Ulysses S. Grant. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Dictionary of American Naval Fighting Ships 1991 The dictionary consists of an alphabetical index to over 10,000 ship histories documenting nearly every ship that the US Navy has put to sea. Continental and Confederate vessels are also included. Entries include physical information, commissioning, service record, notable actions, and decommissioning. Drawings, photographs, and documents are also included. The Web site is an electronic version of the previously published dictionary series. Web entries may be corrected and updated from those that appeared in the printed series.
