Police Theory in America Robert C. Wadman 2009 measurement of effective policing is based on a quick response to crime that has already been committed, the value of crime prevention has become an afterthought in America's police departments." "The middle chapters outline these issues and identify the strategies to improve police community relationships and adjust the measurements for effective policing. The concluding chapters identify strategies designed to facilitate police department organizational change. Using terms from the discipline of economics, a "micro" strategy and a "macro" strategy are outlined. A new theory of policing concludes the book." "The book is intended primarily as a textbook for criminal justice students, but it will also prove useful to police departments, police academies, city managers, and elected officials responsible for police administration and community safety." --Book Jacket.

Taking Sides Carol Levine 1995

Empowerment Series: Social Work and Social Welfare Rosalie Ambrosino 2015-02-03 Reflecting the latest practices, accreditation requirements, and developments from the field, the eighth edition of bestselling SOCIAL WORK AND SOCIAL WELFARE gives readers a broad understanding about the social work profession and the role it plays in the social welfare system. Part of the Brooks/Cole Empowerment Series, the text is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). With its signature systems/ecological approach to understanding social welfare, the book focuses on specific social welfare areas in which social workers play major roles in policy and practice. It adopts the philosophy that there are many reasons why social problems occur, and that students need to understand the history, values, and economic, political, and cultural factors that surround these issues and the attempts to solve or address them. Instead of presenting a specific political perspective, the authors encourage readers to think critically about issues in a new way. Each chapter opens with a vignette about a social worker in a specific setting and closes with information about the career opportunities for social workers in the area discussed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Taking Sides Richard C. Monk 2000-06 This debate-style reader is designed to introduce students to controversies in crime and criminology. Each TAKING SIDES reader features an annotated listing of selected World Wide Web sites and is supported by our student website, www.dushkin.com/online.

Crime and Criminal Justice Stacy L. Mallicoat 2016-07-08 Crime and Criminal Justice: Concepts and Controversies (by Stacy L. Mallicoat) introduces students to the key concepts of the criminal justice system and invites them to explore emerging issues. Students will gain a balanced perspective of the criminal justice system through Current Controversy debates at the end of each chapter that motivate students to apply what they learned by critically analyzing and discussing the pros and cons of the issues presented. Examining important, but often overlooked, components, such as the role of victims and policy, Crime and Criminal Justice helps students develop a foundational understanding of the structures, agencies, and functions of the criminal justice system, as well as build the confidence and skills they need to effectively analyze current issues in criminal justice.

Taking Sides John T. Rourke 1995 Taking Sides: Clashing Views on Controversial Issues in World Politics, Twelfth Edition is a debatestyle reader designed to introduce students to controversies in world politics. The readings, which represent the arguments of world leaders, leading political scientists, and commentators on the world political scene, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework.

Taking Sides Stephen Sattris 1991 Taking Sides: Clashing Views on Moral Issues, Tenth Edition, is a debate-style reader designed to introduce students to controversies in moral philosophy. The readings, which represent the arguments of leading philosophers and commentators, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework.

Taking Sides Gloria W. Bird 1994 Readings pro and con on controversial family and personal relationship issues.

Taking Sides Eileen L. Daniel 1993 Taking Sides: Clashing Views on Controversial Issues in Health and Society, 6th edition, is a debate-style reader designed to introduce students to controversies in health science and personal health. The readings, which represent the arguments of leading health care professionals, policymakers, and social commentators, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. For each issue, the editor provides a concise introduction and postscript summary. The introduction sets the stage for the debate as it is argued in the "yes" and "no" readings, and the postscript briefly reviews the opposing views and suggests additional readings on the controversial issue under discussion. By requiring students to analyze opposing viewpoints and reach considered judgments, Taking Sides actively develops students' critical thinking skills. It is this development of critical thinking skills that is the ultimate purpose of each of the volumes in the widely acclaimed Taking Sides program. Book jacket.

The Dark Side of the Criminal Justice System Ronald L. Morris 2022 Beginning in the Civil Rights era, the American criminal justice system waged a campaign of terror and warlike oppression of Black Americans, Ronald L. Morris analyzes those dark times, it's cause, short- and long-term effects, and calls for change.

The Law Buckner F. Melton 2010 Outlines the development of criminal law, its enforcement, and the judicial system, including information on history, legal precedents, and the interaction of local and federal laws.

Addicted to Incarceration Travis C. Pratt 2018-10-24 In Addicted to Incarceration, author Travis C. Pratt uses an evidence-based approach to explore the consequences of what he terms America's "addiction to incarceration." Highlighting the scope of the issue, the nature of the political discussions surrounding criminal justice policy in general and corrections policy in particular, and the complex social cost of incarceration, this book takes an incisive look at the approach to corrections in the United States. The Second Edition demonstrates that the United States' addiction to incarceration has been fueled by American citizens' opinions about crime and punishment, the use of incarceration as a means of social control, and perhaps most important, by policies legitimized by faulty information. Analyzing crime policies as they relate to crime rates and society's ability to both lower the crime rate and address the role of incarceration in preventing future crime, this book shows students how ineffective the rush to incarcerate has been in the past and offers recommendations and insights to navigate this significant problem going forward.

Taking Sides: Clashing Views in Crime and Criminology, Expanded Thomas Hickey 2010-07-21 A debate-style reader provides an introduction to controversial issues in crime and criminal justice, followed by arguments presenting opposing viewpoints on the topic.
